112/20/FC Remembrance Sunday arrangements

Recent government guidance had put the onus on local authorities to organise Remembrance events as an exception to all other events. The Vice-Chairman, Clerk and Vicar had discussed possible arrangements and risk assessments for a minimal and short event at the war memorial with no church service. However guidance was changing daily. A month's lockdown had been announced by the Prime Minister the previous day to commence on 5th November. Updated guidance was awaited from CALC, and members and the community would be informed as soon as the situation was fully clarified.

113/20/FC Planning application: PA20/08224

The application for planning permission by the Rugby Club for a new pavilion and cycle hub was discussed. Concern was expressed regarding flooding but it was noted that this would be addressed by the relevant consultee. There was general support for the initiative and the potential improved community facility was welcomed. Members AGREED unanimously that they had No Objection to the planning application. Issues relating to the lease from the landlord's perspective would be dealt with by the Finance & Operations Committee.
